1: Data from www.realself.com; *SCFR Satisfaction data is from client feedback forms at end of each treatment regimen (over 4,000 clients treated and 400+ Practitioners trained since 2005)

2: "item" = one specific issue, e.g. one nasolabial fold, one forehead treatment, etc.

3: Annual Cost = annual recurring treatment cost to maintain results, e.g. Botox doctors recommend repeat treatments every 3-4 months (many patients report every 1.5 - 3 months needed)
